RE: incorrect
VIN: 4ydf3292211024054

Dear Genevieve Mercier:

This letter is to confirm that Keystone RV Company, the trailer's manufacturer, made an error in assigning the VIN to your 2001 Tail Gator. We affixed that trailer with "4ydf3292211024054." The correct VIN should have been: "4ydf3292611024054." We believe that 18 U.S.C. 511 prohibits a person from changing a motor vehicle VIN once the vehicle has entered U.S. commerce.

We have faxed the National Highway Traffic Safety Administration (202-493-0073) a copy of this VIN error for its inclusion into the Federal VIN errors database. In addition, we have notified the National Insurance Crime Bureau (NICB) of the VIN error for the use of law enforcement at the state level (fax 708-430-2446).

If law enforcement or other interested personnel wishes additional information about this VIN error, they may call Keystone RV Company at (574) 535-2150 and ask for me.

We are sorry for any inconvenience this may have caused you or your customer. Thank you for your time and cooperation.

Very truly yours,
KEYSTONE RV COMPANY
